

## Online EMT-Basic Payment Plan

RC Health Services offers a convenient and flexible payment plan for those who do not wish to pay for the course in full. The total cost of tuition for the payment plan is \$1349 (see page 2 for a cost breakdown).

The student will make an initial down payment of \$600 with their application and a color copy/scan of their photo ID. This down payment secures their spot in the course.

Following the initial \$600 down payment, the student will make four (4) payments of \$187.25 every 25 days until tuition is paid in full.

Due to the open enrollment of the Online Program, the payment plan will begin on the 1<sup>st</sup> or 15<sup>th</sup> of each month, depending on when the student enrolls. This is when the 25 day payment cycle begins.

### **Example:**

The student enrolls on the 27<sup>th</sup> of March with the down payment of \$600. The student's access code is issued and they may begin the course. The student's payment plan begins on the 1<sup>st</sup> of April. This means that the first payment of \$187.25 will be due on the 26<sup>th</sup> of April. Each subsequent payment will occur every 25 days thereafter.

The student is able to make payments online, over the phone, or in person by cash, check, or by money order.

**Each student must have their balance paid in full prior to sitting for the Final Exam—even if this occurs prior to their final payment.**
