

Online EMT Payment Plan – Pacific Northwest Region

RC Health Services offers a convenient payment plan option for those who do not wish to pay for the course in full in one payment. The total cost of tuition for the payment plan is **\$2399** (see page 2 for a cost breakdown).

The student will make an initial down payment of \$750 with their application and required enrollment documents. This initial payment secures their spot in the course. Following the initial \$750 payment, the student has 4 monthly installment payments of \$412.25 each.

2nd Installment Payment:	\$412.25
3rd Installment Payment:	\$412.25

Example: The student enrolls on the 27th of March with the down payment of \$750. The student's course access information is issued, and they may begin the course. The student's payments will be due monthly following their course enrollment date.

The student will receive automated reminder emails prior to each due date with a payment link. Payments may also be made over the phone.

Each student must have their balance paid in full prior to sitting for the Final Exam—even if this occurs prior to their final payment.
